

GCSE Chemistry Learning Journey

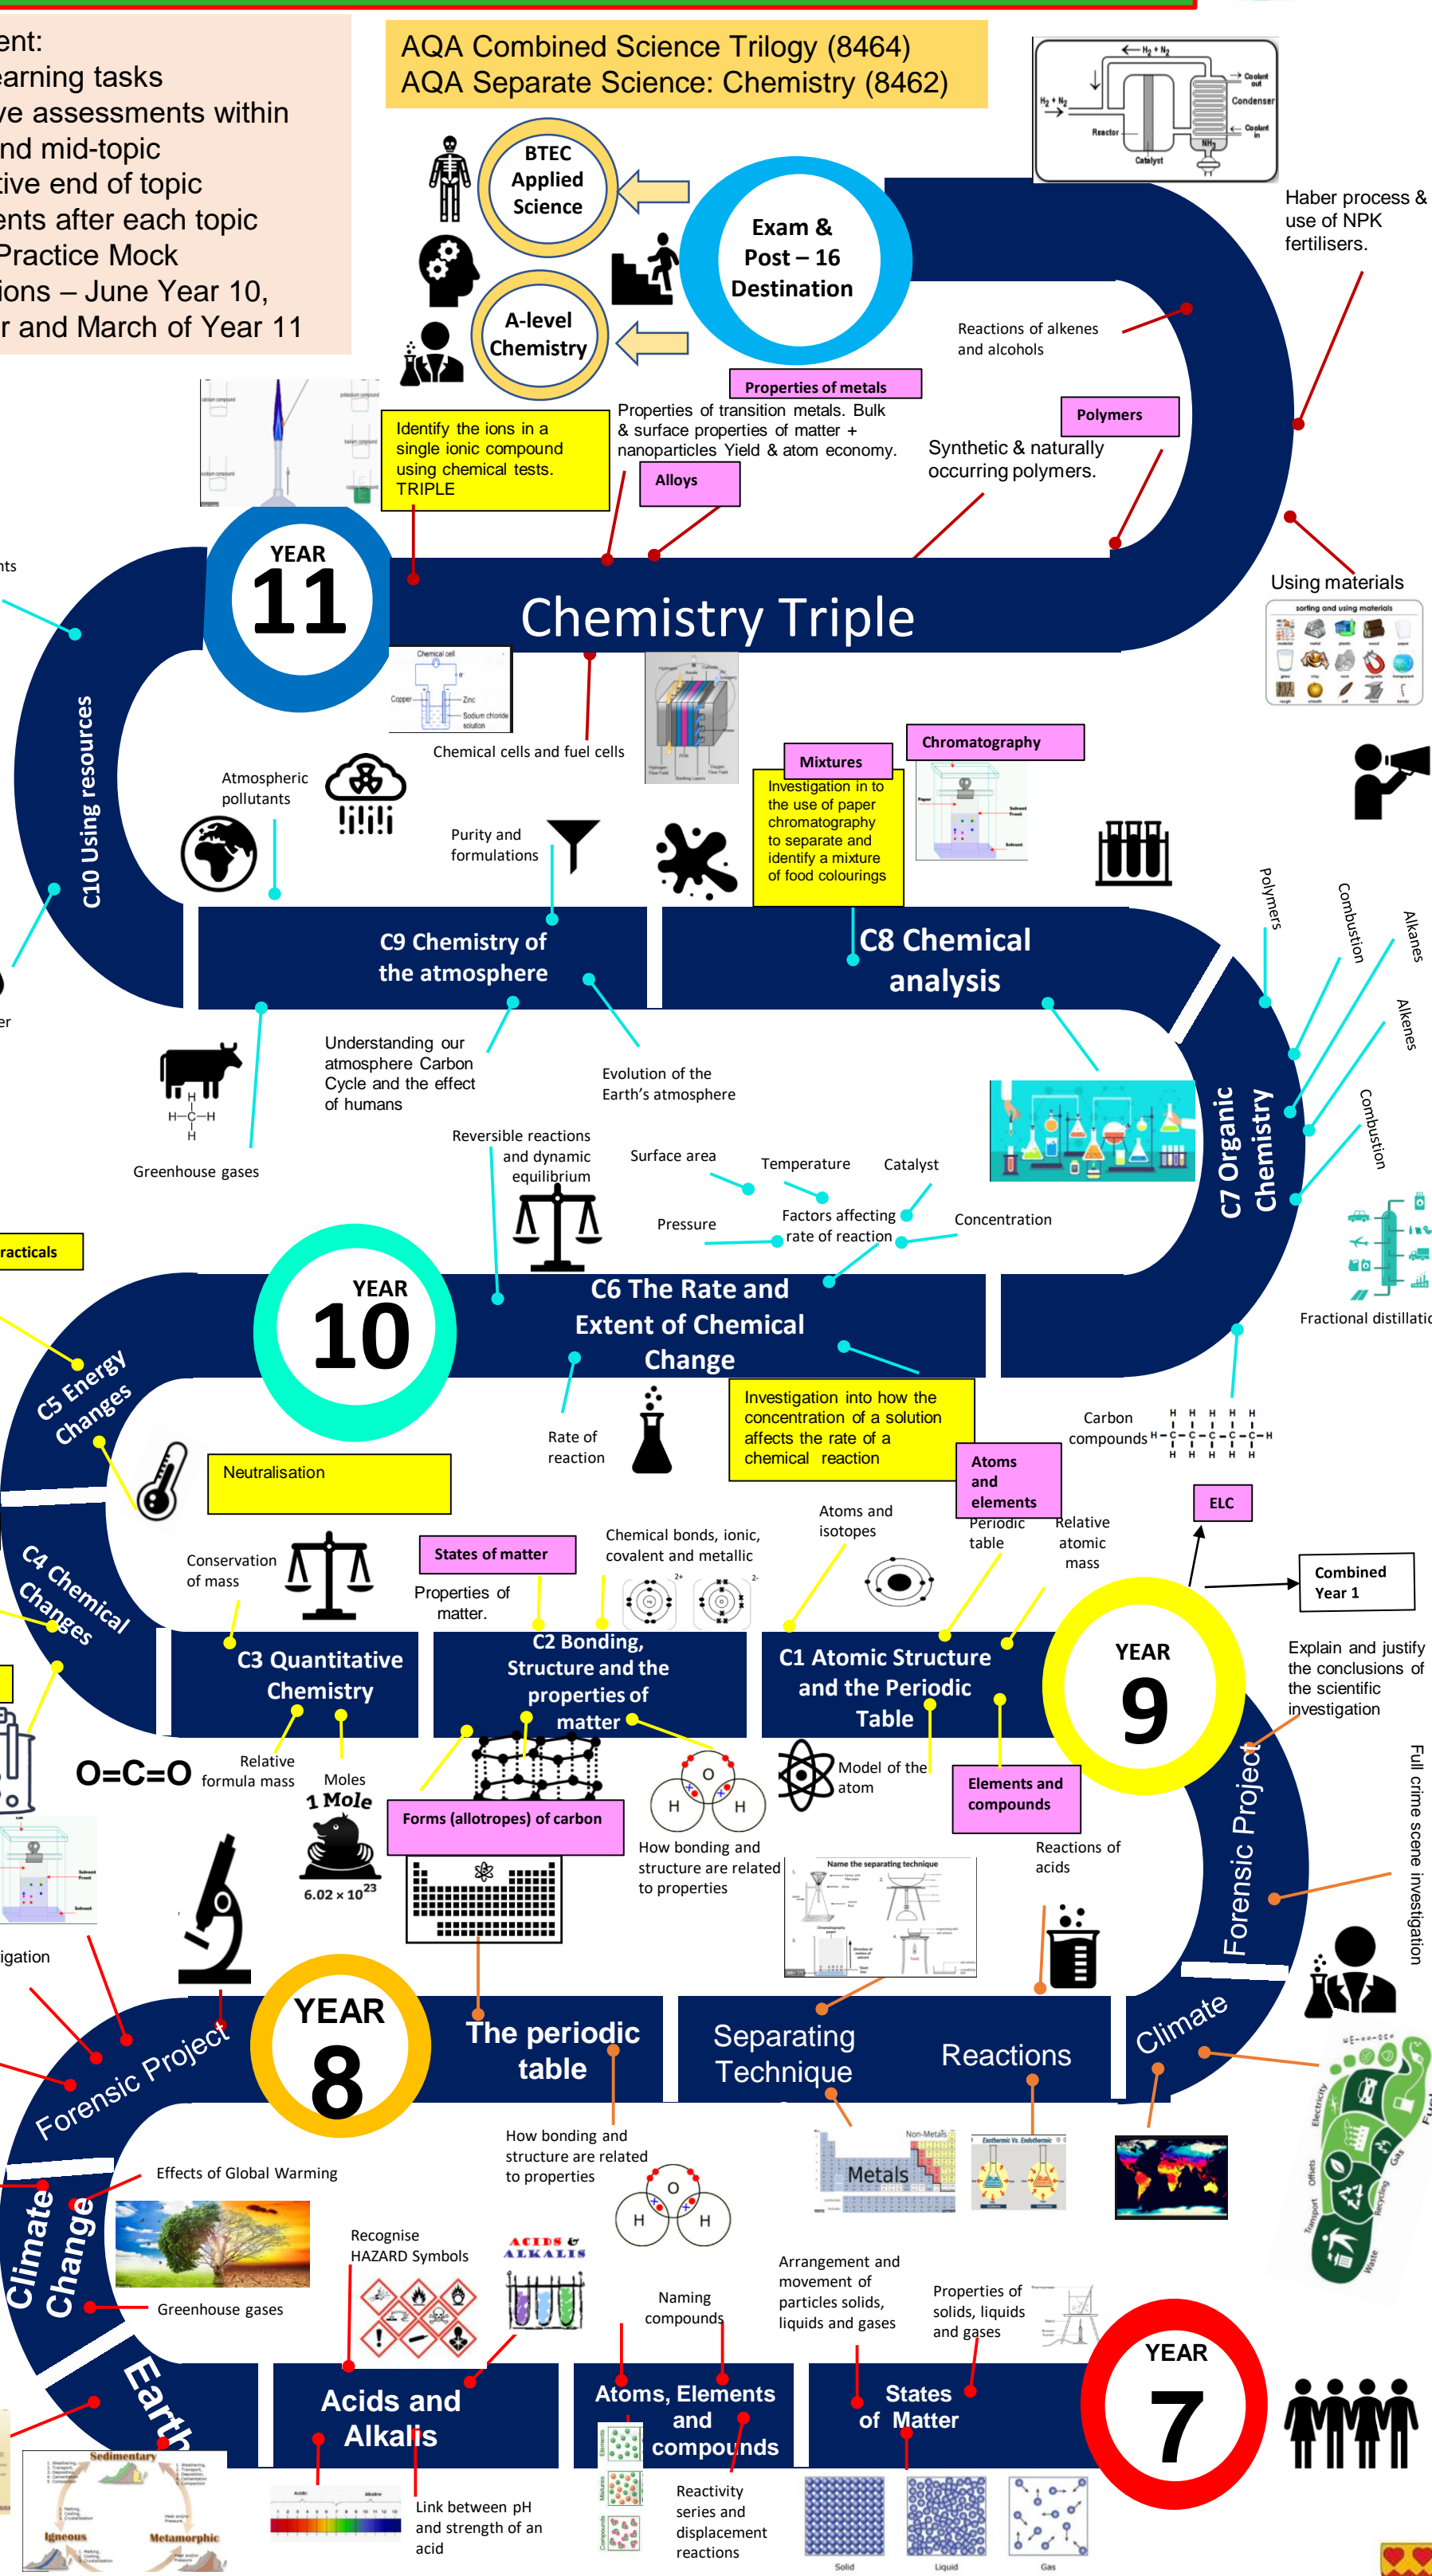

Assessment:

- Home learning tasks
- Formative assessments within lessons and mid-topic
- Summative end of topic assessments after each topic
- Formal Practice Mock Examinations – June Year 10, December and March of Year 11

AQA Combined Science Trilogy (8464)
AQA Separate Science: Chemistry (8462)

Haber process & use of NPK fertilisers.

YEAR 11

Chemistry Triple

YEAR 10

C6 The Rate and Extent of Chemical Change

YEAR 9

C1 Atomic Structure and the Periodic Table

YEAR 8

The periodic table

YEAR 7

Acids and Alkalis

Atoms, Elements and compounds

States of Matter
