1. Aims

This policy aims to:

- *Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible*

- *Set out how the school will make decisions on pupil premium spending*

- *Summarise the roles and responsibilities of those involved in managing the pupil premium in school*

2. Legislation and guidance

This policy is based on the pupil premium conditions of grant guidance (2018-19), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on virtual school heads' responsibilities concerning the pupil premium, and the service premium.

In addition, this policy refers to the DfE's information on what maintained schools must publish online.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

At Newman Catholic College our Ethos is that "Everyone counts, everyone contributes and everyone succeeds". We believe in giving every student the tools that they need to succeed, no matter race, family income/background, religion or other factors.

In order to ensure that all students are given the resources and opportunities to succeed in their education and further life we have created three provision lists: *Core students, Shadow Students* and *Legacy Students.*

Core Students: are the students aged 11-16 (those who are the age of academic years 7 to 11) who meet the full criteria and have received a successful application from Brent Council.

Some examples of how the school may use the grant for *Core Students* include, but are not limited to:

- *Providing extra one-to-one or small-group support including a Buddying programme and tuition*

- *Running catch-up sessions before or after school (for example, for children who need extra help with maths or literacy)*

- *Providing extra tuition where needed (for example, ahead of national assessments such as SATs or GCSEs or other level 2 qualifications)*

- *Funding educational trips and visits*

- *Funding English classes for children who speak another language*

- *Funding for extra resources to assist in progress*

- *Providing opportunities to raise aspirations (such as careers days and University open days)*

Shadow Students: are the students aged 11-16 (those who are the age of academic years 7 to 11) who do not quite meet the criteria (e.g. earning just over the threshold) or those who meet the criteria but need support in gaining a successful application. The coordinator will work to transfer Shadow Students to the Core Student list. The Shadow Student provision may include some of the Core Student provision where it is deemed appropriate.

Legacy Students: are the students who once were on the core register but are no longer, this will mostly consist of students over the age of 16years and attend the NCC Sixth Form.

Some examples of how the school may use the grant for Legacy Students include, but are not limited to:

- *Providing a mentoring qualification so they develop communication and leaderships skills whilst mentoring Core Students*

- *Providing One to One support for life after Newman including UCAS/Job applications and British Citizenship test preparation*

- *A tailored qualification package to assist in future progression including GCSE/Level2 or Level3/Alevel packages or a Work Ready Program*

- *A range of enrichment activities that will support in future progression*

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online.

Our pupil premium strategy is available on the NCC website[1].

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in years 7 through to 11.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

5.3 Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

5.4 Ever 6 service children

Pupils:

- *With a parent serving in the regular armed forces*

- *Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census*
