GOVERNING BODY APPROVAL:

AUTUMN TERM – OCTOBER 2020/21

COMMITTEE WITH RESPONSIBILITY FOR MONITORING AND REVIEW:

PERSONNEL COMMITTEE

NEXT REVIEW DATE: **AUTUMN 2021/22**

Introduction to the Educational visits policy

As a Catholic School, we aim to:

- ii) Provide opportunities for our students to enrich their lives and flourish through every aspect of the school's curricular and extra-curricular programmes and activities.
- c) Offer an invaluable opportunity to enrich young peoples' learning, raise their self esteem, increase their motivation and appetite for learning, and raise levels of achievement in many aspects of their life and education.
- e) Enable students to gain a deeper, and broader, knowledge and understanding of our culture and of the world.

Educational Visits

C 1. If you are planning an educational visit, you must:

- a) Discuss the proposal first with the Assistant Head teacher with responsibility for Educational Visits. The following points will be considered:
 - Scheduling the visit within the school year
 - The contribution of the visit to the curriculum and pupils' educational opportunity
 - The feasibility of proposed numbers and the year group of potential pupil participants
 - The proposed staffing needs
 - A preliminary risk assessment of the visit using appropriate documentation.
- b) Provisionally book the date in the school diary at least two weeks prior to the visit, with the Assistant Headteacher responsible for Educational Visits, Cover Administrator, Curriculum and Year Leaders, SENCO, Kitchen Manager and Finance Officer as appropriate.
- c) At least two weeks prior to the visit complete the Educational Visits Approval Form (Appendix 1) from the staff shared area (J: Drive). Ensure all signatures including that of the Headteacher have been collected.
- d) Return the completed form to the nominated Assistant Headteacher Educational Visits Coordinator. Ensure that a copy of all relevant documentation including itinerary, venue information, letter to parents etc. is attached to the copy of the Educational Visits Approval Form (Appendix 1).

- e) If the visit is deemed appropriate the Assistant Headteacher Educational Visits Coordinator will seek final authorisation from the Headteacher. The Educational Visits Approval Form (Appendix 1) is a request for permission to

go. The form provides details necessary for the Headteacher to make a decision. The head teacher and the SLT reserve the right to refuse trips.

- f) For all Educational Visits, the necessary documentation and insurance arrangements must then be completed. A checklist must also be completed to verify that each step of the planning process has been properly covered.
- g) Check financial arrangements with reference to recent legislation (School Charging Policy). Ensure you have read and made note of the LEA guidelines concerning school Educational Visits. A copy of these is kept in the main school office.

2. **Organising the Visit:**

a) **Staff Accompanying the Educational Visit**

Confirm staff accompanying the trip with the Educational Visits Coordinator. Then ensure that all staff and their line managers are informed well in advance that they will be accompanying the visit. If support staff are used permission must be given by the Inclusion Leader. Ensure that if staff from another department are used, that the Subject Leader is approached and has time to consider the implications of the proposal if the visit takes place in the school term.

Inform other colleagues that their routine is likely to be interrupted.

b) **Staff/Student Ratios**

Escorting staff should be in the ratio of:-

One escorting member of staff to ten pupils in the UK

One escorting member of staff to eight pupils overseas.

On activity-based visits a qualified first-aider will be amongst the escorting staff.

(TFL- Transport for London free travel requires a ratio of one to ten)

Escorting staff should be serving members of the school staff. If other adults are proposed as accompaniers, the Headteacher must approve them.

c) **Informing Parents**

Write a letter to parents. A copy of the letter must be given to the nominated Educational Visits Coordinator before it is distributed to pupils. Examples are in the staff Shared area (J: Drive); Whole School - School Visits the letter must make clear:

- Where the visit is to, and its purpose
- The dates and times for leaving and returning to school
- The year groups for whom the visit is suitable, and the names of the staff accompanying the party, and the party leader
- The transport to be used
- The cost per pupil and the arrangements in place for the receipt of visit payments
- Any special risks involved

- It is reasonable to add a statement to your letter informing parents that we reserve the right to refuse a place to pupils whose behaviour has given cause for serious concern and whose presence would jeopardise the safety and well-being of the party.
- All pupils should be given opportunities to go on trips. If concerns arise, the teacher will negotiate with the Head of School.

d) **School Procedures for Residential and Overseas Trips**

When the Educational Visit Form(Appendix 1) is received, the Finance Department will complete the relevant Insurance Form (EV2) (accident and life).

e) **Risk Assessment**

A risk assessment must be carried out. Please see the nominated Educational Visits Coordinator for guidance and information. Staff should be aware of Standard Risk Assessment management procedures(Appendix 2) Examples of specific risk assessments can be found in the shared area (J:Drive)

f) **Overseas Visits**

Additional insurance is required for overseas visits. A form for completion is available in the shared area (J:Drive); Whole School - School Visits. This must be signed by the Headteacher.

g) **Child Protection**

The school's Child Protection Policy will remain in place during a visit.

3. **Before the visit takes place**

- Familiarise yourself with the appropriate guidance on school trips
- Place the pupils in supervision groups according to the legal ratio of staff: pupils. Name the supervising teacher for each group. Place a copy of the participants list in the staffroom. Give a copy of the participants list to reception along with the mobile phone numbers for accompanying staff.

4. **Residential or Overseas Visits**

- Arrange a meeting for parents before the visit takes place, so that any queries may be answered and parents are fully briefed regarding the visit arrangements. Remind them that full school attendance is required after a school visit, or pupils will forfeit the right to participation in further trips, if absence cannot be confirmed as a medical reason.
- Ensure that you have met with pupils and they have been fully briefed about trip arrangements, school expectations and the proposed itinerary. Ensure that every pupil knows the name of their supervising teacher and their visit group.

- c) Arrange a meeting with all accompaniers to discuss every arrangement including accompanier expectations, supervisory pupil groupings and the itinerary. A senior manager must be present at this meeting.
- d) Overseas Visits- Check that all pupils have the appropriate passport, papers etc. for travel into and out of the UK. A visa document which we hold in school, MUST be fully completed with the names of all non-EU passport holders, signed by the Headteacher and school-stamped.
- e) A pack with a participants list (Appendix 3) and all relevant visit details must be given to:
 - i. Headteacher
 - ii. Person responsible for trips
 - iii. Each staff accompanier
- f) Staff are reminded that all letters to parents should be agreed by the Headteacher before being duplicated or distributed, and all meetings with parents must be agreed with the Headteacher before parents are notified.
- g) On return from the visit - a report of the trip and any medical problems/behaviour difficulties etc. that arose must be written by the party organiser and given to the Headteacher.
