8 How to Apply

Message from the Headteacher

Dear Student,

It is with great pleasure that I welcome you to our Sixth Form prospectus. As can be seen within these pages, NCC 6th offers a select and high-quality package of courses designed and chosen to either enable your education to continue in a university setting or within the world of work.

All subjects on offer within this booklet are taught by talented, committed and experienced teachers who have first-class track records in ensuring that all students fulfil their potential. In addition, the pastoral support within the college is second to none. Whether you are completing a UCAS registration, applying for an apprenticeship, searching for work or struggling, as we all sometimes do with the complexities of modern life, you will find guidance and encouragement from NCC staff.

For many students joining NCC's Sixth Form in September 2022, the school will be well known to you. There will be a universal acknowledgement of the teaching quality, excellent behaviour, good humour, and assistance given to all. It is worth adding that, at this time of world anxiety and uncertainty, there is benefit in staying close to home and continuing with what works! The experience of the past year has taken its toll on everyone. We have missed the social interactions that are such an essential element of life. In these circumstances, the "superb relationships" (Ofsted 2016) that characterise NCC offer the perfect antidote to the lockdown blues. NCC 6th is a place of friendship, happiness and opportunity as well as learning. To those young men and women who have previously not studied at NCC, rest assured that you will find a warm welcome and your ambitions will be provided with a firm foundation during your years with us.

My advice to you all is to explore as many Sixth Form options as possible. Please read about the courses and visit the colleges themselves. Talk to staff and students. Form your judgments and make decisions after careful consideration. If, however, you want a college with a carefully crafted curriculum offer, in a warm, caring, creative, innovative and thriving environment, then NCC 6th is the one for you.

Yours,

D.P. Coyle

Headteacher

Creative, Innovative, Successful

At NCC 6th, we always aim to be creative and innovative. We have a track record of being successful, especially in the delivery of our Professional and Technical qualifications. The concepts of creativity and innovation form the heart of NCC 6th. These concepts provide our students with the foundations for success in further and higher education, and in employment. Throughout the COVID 19 pandemic NCC 6th delivered live lessons to ensure that our young people continued to receive a high quality and impactful education. We provided online sessions with your subject teachers, workshops with industry specialists and online 1:1 tutorials with the NCC 6th team. We have been creative and innovative to ensure that you succeed. In 2020-21 100% of our year 13 cohort achieved Distinction*, Distinction, merit or Pass as their final grades.

Creative: As a student at NCC 6th you are encouraged to embrace your creativity. A creative approach to thinking and learning is essential in industries such as the Arts, Science and Technology. NCC 6th provides you with opportunities to express and develop your creativity.

Innovative: As job roles become more competitive, it is increasingly important to have first-hand industry experience. At NCC 6th we acknowledge the importance of building excellent industry links. Over the years we have built strong connections with successful employers and universities. These connections mean that we are able to provide you with practitioner workshops and lectures, as well as opportunities for work experience in a chosen industry. At NCC 6th we encourage you to make use of these industry links through our Work-Ready and Enrichment programmes. Previously we have developed and adapted other routes through which our students can access work, even in remote circumstances.

Successful: We are proud that the young men and women who study with us go onto employment in competitive industries and attend top universities. Our students progress into a range of professions in areas such as Law, Business, Finance, Economics, Health Care and the Arts. Last academic year 100% of NCC 6th leavers progressed onto University courses or Higher Level Apprenticeships.

I do hope that you will choose to study at NCC 6th. We can provide you with the tools you need for success. You can apply online at <https://nccsixthform.applicaa.com>

Mr Z. L. Jalil

Head of Sixth Form

About us NCC6th

At NCC 6th we are proud to be a vibrant, diverse and successful community that consists of 170 young men and women who have chosen to continue their studies with our range of Academic, Professional and Technical qualifications.

Brent was named London Borough of Culture 2020 and it is our melting pot of cultures that provides you with a unique learning environment to enhance and enrich your studies. We are a School of Sanctuary and a Refugee Welcome School, one that celebrates diversity and individuality with unity and love and respect for one another following the teachings of the Gospels.

Learning

We offer Level 2 and Level 3 qualifications that develop the knowledge, understanding and skills required for future employment, Higher Education and career success. We offer every student a personalised, bespoke pathway that is tailored to individual needs and is designed to provide a stimulating and balanced education, whilst emphasising professionalism, successful citizenship and the development of technical skills.

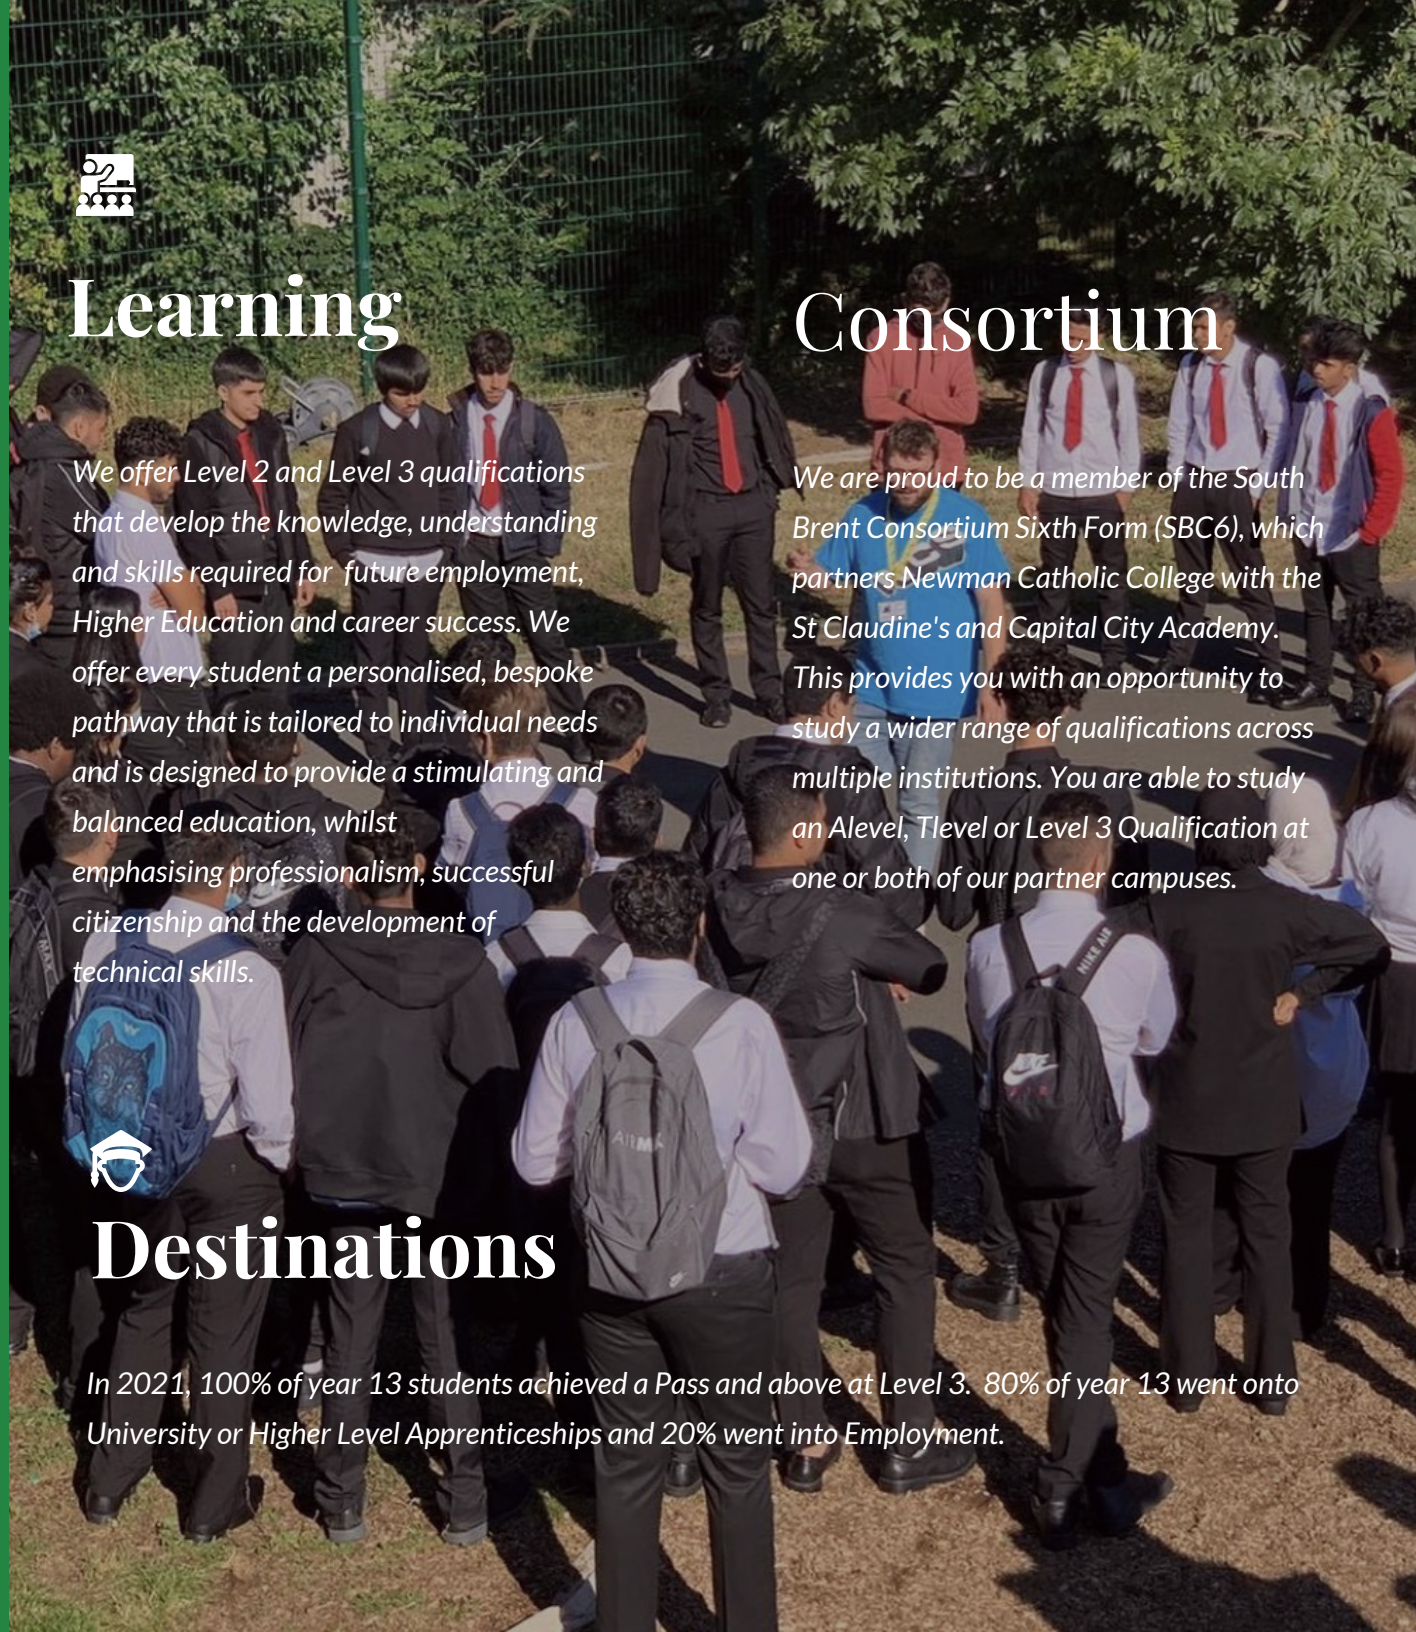

Destinations

In 2021, 100% of year 13 students achieved a Pass and above at Level 3. 80% of year 13 went onto University or Higher Level Apprenticeships and 20% went into Employment.

Consortium

We are proud to be a member of the South Brent Consortium Sixth Form (SBC6), which partners Newman Catholic College with the St Claudine's and Capital City Academy. This provides you with an opportunity to study a wider range of qualifications across multiple institutions. You are able to study an Alevel, Tlevel or Level 3 Qualification at one or both of our partner campuses.

Advanced Pathway Courses

At NCC 6th we specialise in Professional and Technical qualifications. You are given the option to either study a package of three courses* or to specialise in a specific area through an Extended Diploma.

We are proud to offer the following courses for September 2022:

- Art Subsidiary Diploma
- Applied Science Extended Diploma
- Business Studies Extended Diploma
- Business Studies Subsidiary Diploma
- Core Mathematics Level 3
- Music Diploma
- Performing Arts Extended Diploma
- Performing Arts Diploma
- Sport Science Subsidiary Diploma

*If you are choosing to study for a set of single qualifications, you may pick one of these from one of our SBC6 partner schools.

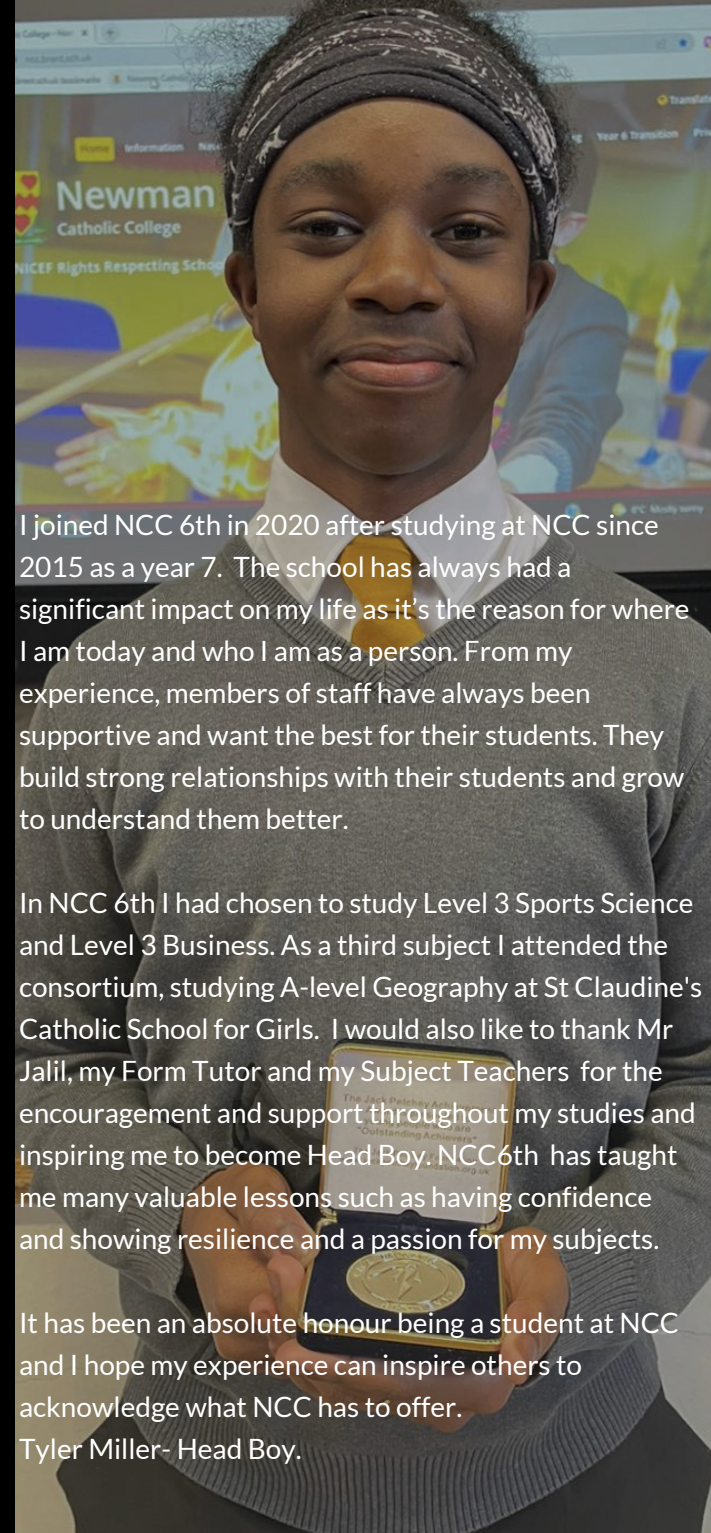

WHERE WILL THESE COURSE TAKE ME?

- *Employment opportunities*
- Higher Education at University
- *Degree level Apprenticeships*

Student Testimonial

I joined NCC 6th in 2020 after studying at NCC since 2015 as a year 7. The school has always had a significant impact on my life as it's the reason for where I am today and who I am as a person. From my experience, members of staff have always been supportive and want the best for their students. They build strong relationships with their students and grow to understand them better.

In NCC 6th I had chosen to study Level 3 Sports Science and Level 3 Business. As a third subject I attended the consortium, studying A-level Geography at St Claudine's Catholic School for Girls. I would also like to thank Mr Jalil, my Form Tutor and my Subject Teachers for the encouragement and support throughout my studies and inspiring me to become Head Boy. NCC6th has taught me many valuable lessons such as having confidence and showing resilience and a passion for my subjects.

It has been an absolute honour being a student at NCC and I hope my experience can inspire others to acknowledge what NCC has to offer.

Tyler Miller- Head Boy.

Level 2 Pathway Courses

At NCC 6th the Advanced Pathway has an entry requirement of FIVE GCSEs (or equivalent Level 2 qualifications) at Grade 4 or above. You also have the option to study for a set of Level 2 qualifications in order to prepare you for the Advanced Pathway in subsequent years.

The following courses are available for September 2022:

- Art
- Business Studies
- English Language*
- English Literature
- Design Technology
- Geography
- Mathematics *
- Music
- Performing Arts
- Religious Studies
- Science
- Vocational DT

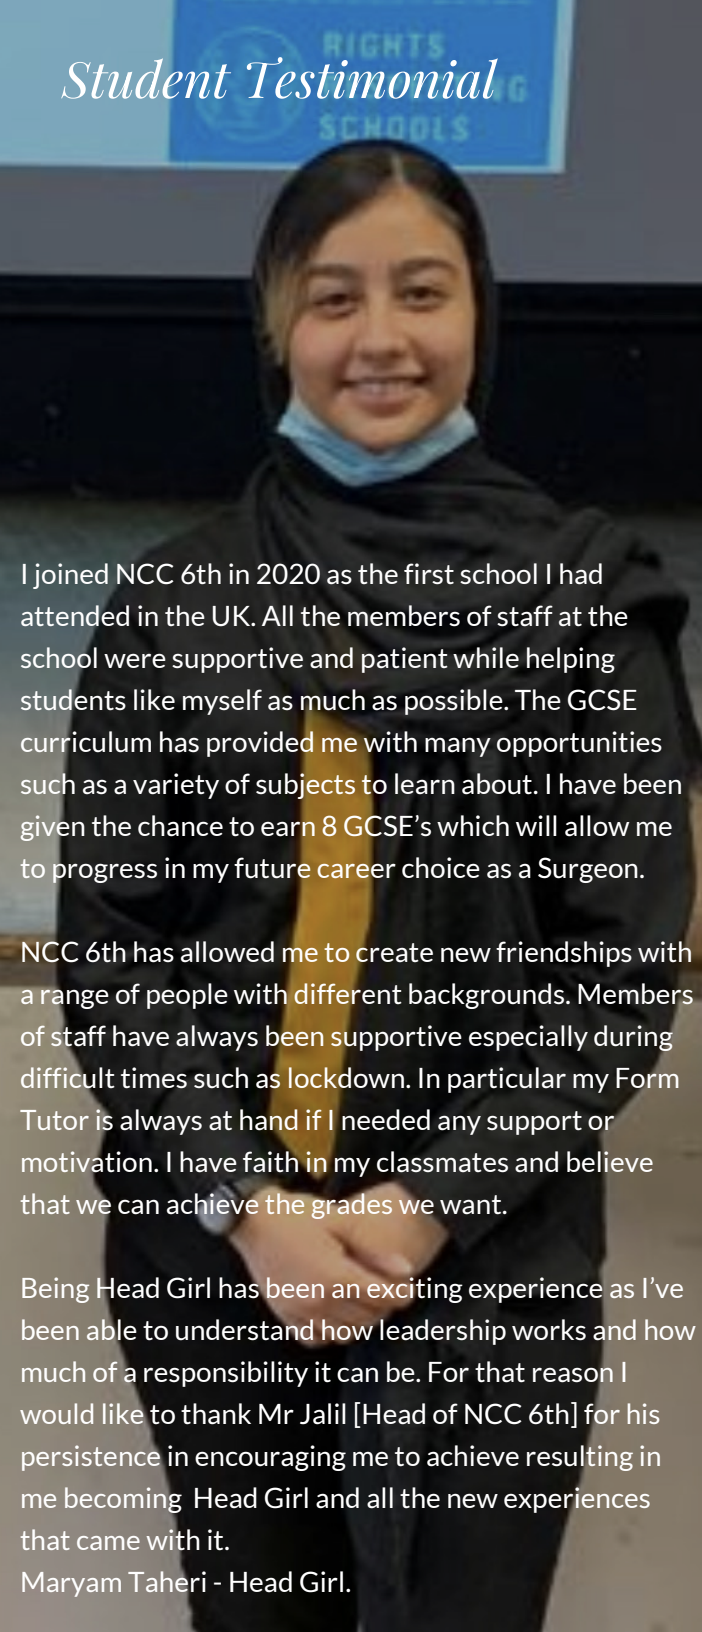

WHERE WILL THESE COURSE TAKE ME?

- *Employment opportunities*
- Advanced Level Courses at NCC6th
- *Level 3 Apprenticeships*

Student Testimonial

I joined NCC 6th in 2020 as the first school I had attended in the UK. All the members of staff at the school were supportive and patient while helping students like myself as much as possible. The GCSE curriculum has provided me with many opportunities such as a variety of subjects to learn about. I have been given the chance to earn 8 GCSE's which will allow me to progress in my future career choice as a Surgeon.

NCC 6th has allowed me to create new friendships with a range of people with different backgrounds. Members of staff have always been supportive especially during difficult times such as lockdown. In particular my Form Tutor is always at hand if I needed any support or motivation. I have faith in my classmates and believe that we can achieve the grades we want.

Being Head Girl has been an exciting experience as I've been able to understand how leadership works and how much of a responsibility it can be. For that reason I would like to thank Mr Jalil [Head of NCC 6th] for his persistence in encouraging me to achieve resulting in me becoming Head Girl and all the new experiences that came with it.

Maryam Taheri - Head Girl.

Catholic Life

NCC6 continues the practices from the main Newman Catholic College. All NCC6 students attend the General RE courses in both Year 12 and 13. The courses are relevant to the world we live in, are academic and ensure that our students maintain and develop a spiritual element in their lives. We provide a daily act of worship in form rooms and assemblies throughout the year.

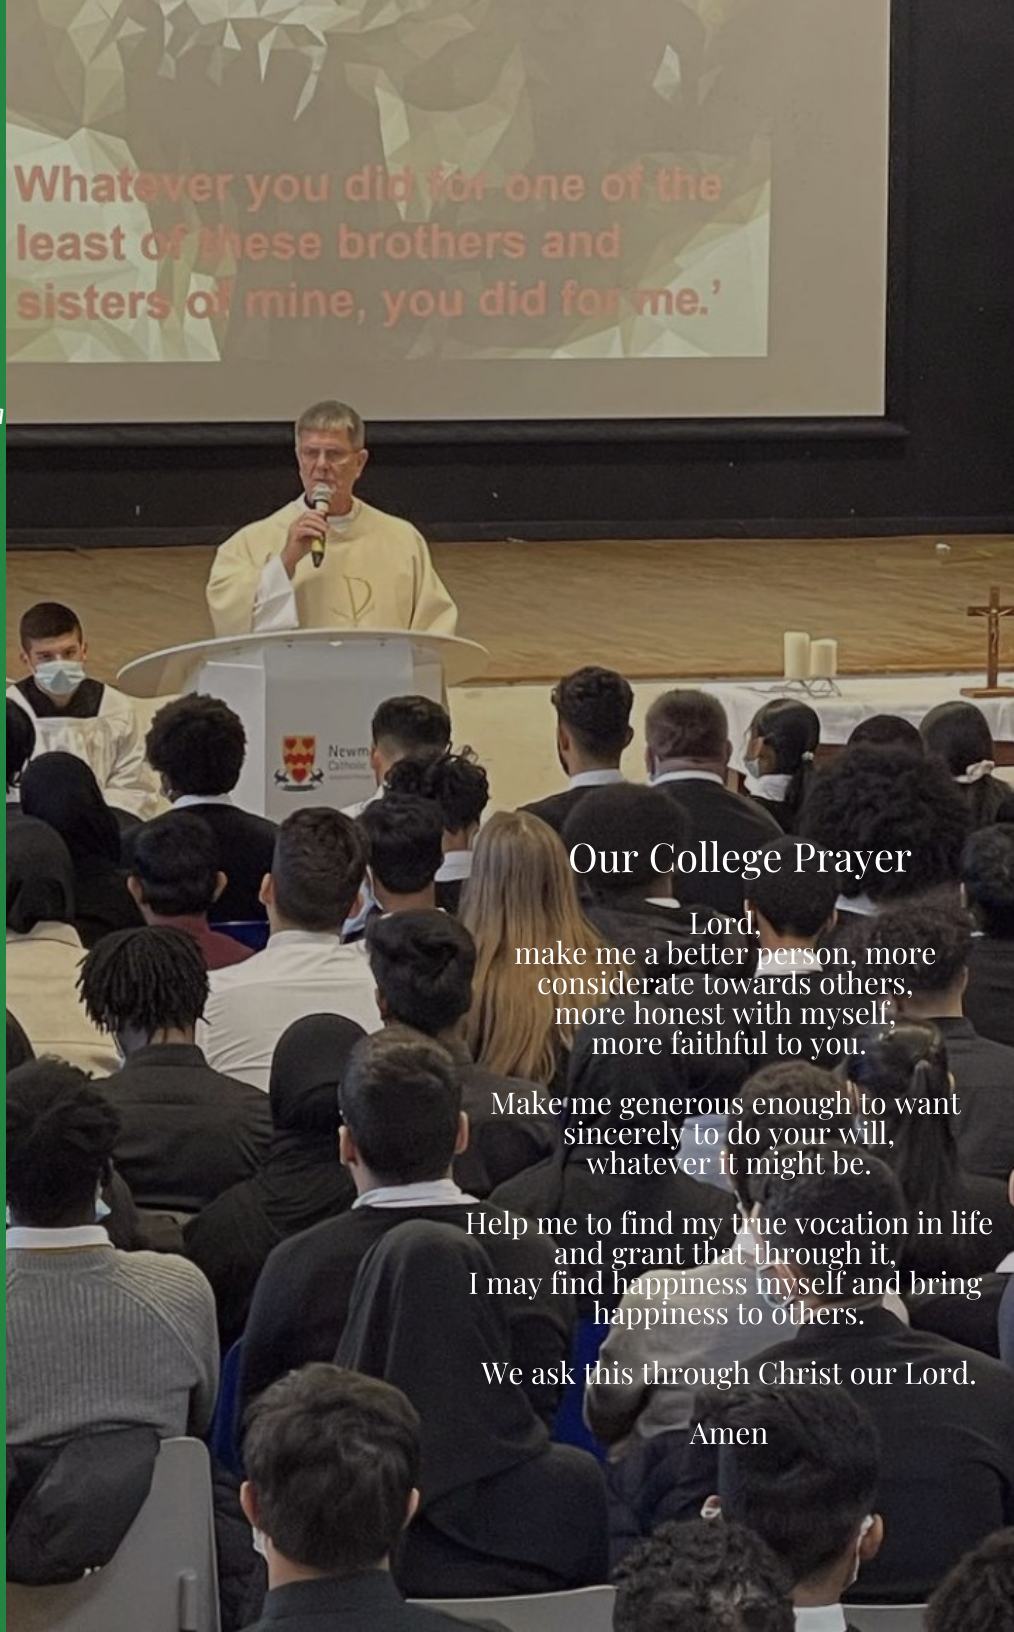

Assemblies are held for year 12 and 13 students once a week, with key themes marking out significant points in the year, such as the start of the academic year, Advent, Christmas, Remembrance Day and Holocaust Memorial Day.

Assemblies are usually led by the Principal, the SLT, Heads of Year or House Groups. Students often take an active role. As we are a school committed to the UNICEF Rights Respecting School Award, a different right is a focus in the weekly assembly theme.

The school provides opportunities for our Catholic students to receive the sacraments during the academic year such as the sacrament of reconciliation.

The students have the opportunity for quiet prayer and reflection in our chapel and be a part of prayer services for the whole school community.

Newman Catholic College is sensitive to the religious and ethnic diversity that exists within it, and it provides prayer opportunities for students from other traditions and beliefs. Consequently, students have the opportunity to enter into interfaith dialogue and thereby understand 'faith and practice' in a broader context.

Whatever you did for one of the least of these brothers and sisters of mine, you did for me.'

Our College Prayer

Lord,
make me a better person, more
considerate towards others,
more honest with myself,
more faithful to you.

Make me generous enough to want
sincerely to do your will,
whatever it might be.

Help me to find my true vocation in life
and grant that through it,
I may find happiness myself and bring
happiness to others.

We ask this through Christ our Lord.

Amen

Meet The Team

We have a dedicated Sixth Form Team that are available to support you in your academic studies and in terms of your personal wellbeing and development. To this end, the Head and Deputy Head of Sixth Form work closely with your subject and form teachers. They will also ensure that you have access to appropriate careers and education guidance, and support you through the university application process, should you wish to progress to Further or Higher Education.

Tutor Team:

Your NCC6th Tutor will support you throughout your studies at NCC6th including daily tutorials and Application support:

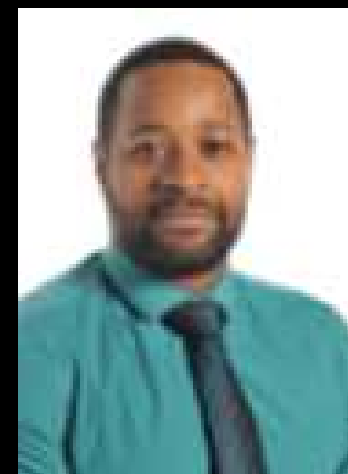

- Miss Araliya
- Miss Elrrakik
- Mrs Farrell
- Mr Henry
- Mr Hughes
- Miss Jones
- Mr Lopes
- Mr McCrann
- Miss Palmer
- Mr Sarrouhk
-

Pastoral Team

Mr Jalil - Head of Sixth Form and Performing Arts Teacher

Mr Albert- Deputy Head of Sixth Form and Business Studies Teacher

Mr Dunne- Deputy Headteacher and Geography Teacher

HOW DO I APPLY?

If you are interested in applying to NCC6, then please complete the application form. If you would like to know more about what NCC offers, please contact Mr Jalil, Head of Sixth Form on 020 8965 3947.
