Saint John Henry Newman's motto, Cor ad cor loquitur, or "Heart speaks unto heart", helps us understand that Christian life is a call to understand what this means for our daily lives: God has assigned a specific task to each one of us, a "definite service", committed uniquely to every single person: "I have my mission", he wrote, "I am a link in a chain, a bond of connection between persons. I shall do good, I shall do his work

“God created me to do Him some definite service; He has committed some work to me which He has not committed to another.

I have my mission—I am a link in a chain, a bond of connection between persons. He has not created me for nothing.”

I shall do good; I shall do His work. I shall be an angel of peace, a preacher of truth in my own place.

(Blessed John Henry Newman)

Service

‘God is also calling you, he is looking at all the love you are able to offer.

With your plans and with your courage, roads open up that lead to a better.

GOD HAS CREATED ME TO DO HIM SOME

definite
SERVICE.

HE HAS COMMITTED

some work to me which he has committed
TO ANOTHER.

Solidarity

God has a plan for creation, a plan to build his kingdom of peace, love and justice.

God has a special place each of us, whoever we are. This involves our lives, from the things we pray about, to how we live as a responsible global citizens. This is a call to treat everyone as your brothers and sisters. Catholic Social Teaching is about how we live Blessed John Henry Newman's call to service.

We believe that every person is created in God's image and that all human life is sacred. The dignity of every person, independent of ethnicity, creed, gender, sexuality, age or ability, is the foundation of Catholic Social Teaching. No human being should have their dignity or freedom compromised.

Human Dignity

The earth and all life on it are part of God's creation. We are called to respect this gift. We are responsible for taking care of the world we live in and for sharing all the wonders and resources the earth gives us. Our changing environment makes us think about how we live on our planet. We believe that care for our common home is vital for the common good of all people.

Care of Creation

Community and Participation

How can we contribute to a more just and fair world? It is every person's right to participate in the decisions that affect their own lives. Everyone belongs to one human family, regardless of their national, religious, ethnic, economic, political and ideological differences. Everyone has an obligation to promote the rights and development of all peoples across communities, nations, and the world.

Solidarity

We believe we are part of one human family and have a responsibility to help each person achieve their full potential. The Common Good is reached when we work together to improve the wellbeing of people in our society and the wider world. Caring for the poor is everyone's responsibility.
