

Newman Catholic College

God has created me to do Him some definite service. I have my mission. He has not created me for nothing.

Saint John Henry Newman - 1801-1890

Mission Statement

Inspired by faith, enabled by knowledge, and driven by love and service, NCC empowers every individual to fulfil their unique calling and build a just and inclusive world. Our mission is to enable all students to fulfil their God-given talents and abilities. Our values are underpinned by the Convention of the Rights of the Child.

Catholicity - Our Catholic ethos and “Newman Values” empower students to serve God and others through love, selflessness, vocation and a sense of dignity.

Inclusivity - Our school is a place of sanctuary to all, celebrating faith and cultural diversity through education, respect, and Christ's call to care, creating a safe and inclusive community for all.

Culture - Our positive learning environment builds on respect, resilience, and character development, thus empowering students to realise their full potential and inspire others.

Community - We bring our Newman family values to the wider community through volunteering, charity work, participation, outreach work and by engaging stakeholders.

Our shared vision - For our students to grow in understanding of knowledge, action, peace and service.

Everyone Counts; Everyone Contributes; Everyone Succeeds.
