Prevent Bullying

What is bullying?

- Bullying is behaviour which is deliberately intended to hurt, threaten or frighten another person or group, this can be verbal or physical.
- Examples of bullying include, name calling, taunting, threats, making offensive comments, kicking, hitting, pushing, taking and damaging belongings.
- Cyber-Bullying happens on phones (texting) or online (social networking) by intimidating, threatening or humiliating somebody.

What to do:

1. Don't ignore bullying; it won't go away on its own and it can get worse.
2. Tell someone you trust – such as a member of staff, parent or friend.
3. Keep a record – and save any bullying texts or email.
4. Try to stay away from the bullies or stay with a group of friends.
5. Ask your friends to look out for you.
6. Try not to retaliate – you could get into trouble or get hurt.
7. Try to act more confident – even if you don't feel like it.
8. **Remember**, it's not your fault and no one deserves to be bullied.
