

## Information for GCSE Examinations 2016 candidates

This letter is to help you with your forthcoming GCSE examinations. Read it carefully and follow the instructions. If there is anything you do not understand, ask your teacher.

### During the GCSE examinations, you should

- Be in school at least 30 minutes before the start of your examination
- Wear full school uniform
- Bring the correct equipment including **3 black pens**, (you must only write in black ink) pencils, rulers, eraser as well as a working scientific calculator for Science and Mathematics examinations
- A clear plastic water bottle with no label

### Ensure that you

- Continue to revise
- Go to bed early
- Eat a nourishing breakfast and bring a packed lunch or money if appropriate
- Leave home on time as students who arrive late may not be allowed extra time or be allowed into the hall
- Display the "**Statement of Entry**" detailing the dates and times of all your own examination in a visible place for your convenience and information.
- Continue to attend all the revision sessions including the ones during the half term holidays

Please note that the times and dates of GCSE examination cannot be changed and failure to turn up for any paper will result in no grade.

Do not hesitate to ask either myself or Ms O'Neill for any questions you may have or clarification you may need.

Good luck and I wish you all in the best in all your forthcoming examinations.

Yours faithfully

C. Abimbola
